# Project Background & Aims

indyreads key features:

- Upload files and apply DRM
- Deal directly with content creators
- Bespoke License agreement

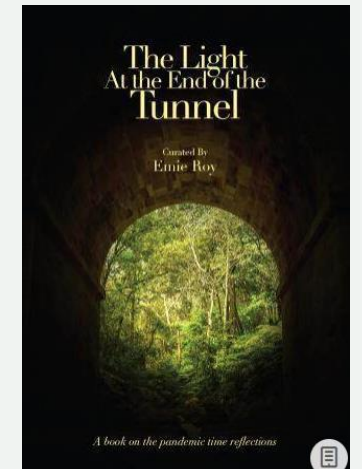

INDEPENDENT  
PUBLISHED WORKS

LANGUAGES OTHER  
THAN ENGLISH

LOCAL STUDIES  
CONTENT

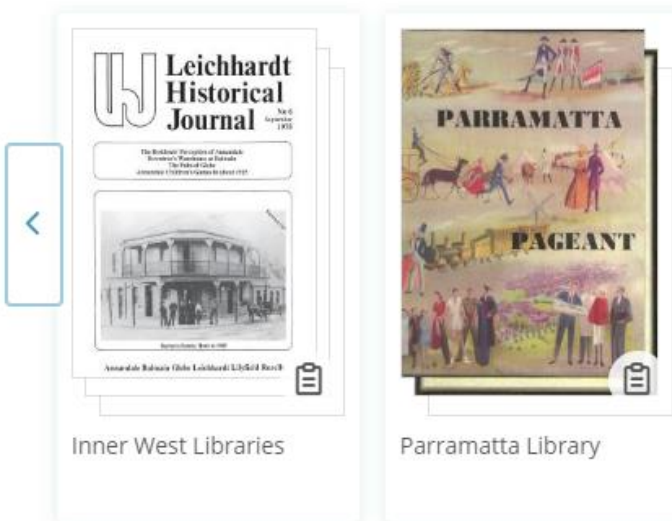

COMMUNITY  
AUTHORED & SELF-  
PUBLISHED CONTENT

# Local Studies

## Project Aims and Benefits

- Statewide collection of culturally important local content
- Improved accessibility
  - Inbuilt PDF, EPUB, MP3 & MP4 readers for browser and IOS and Android Apps
  - Deep catalogue integration (SIRSI, Spydus, Libero & Aurora underway)
  - Create collection lists with persistent links for social media and eNewsletters)
- Free hosting
- Solution for services without a hosting platform *(having a LS platform does not exclude you from using indyreads)*

### Local Studies Collections

# Collection Scope

## In Scope

Born digital items or digitised items from your Local Studies Collection

- books and journals that have been published
- oral histories and transcripts (Amplify).

Only titles licensed for whole of state access will be considered.

Formats:

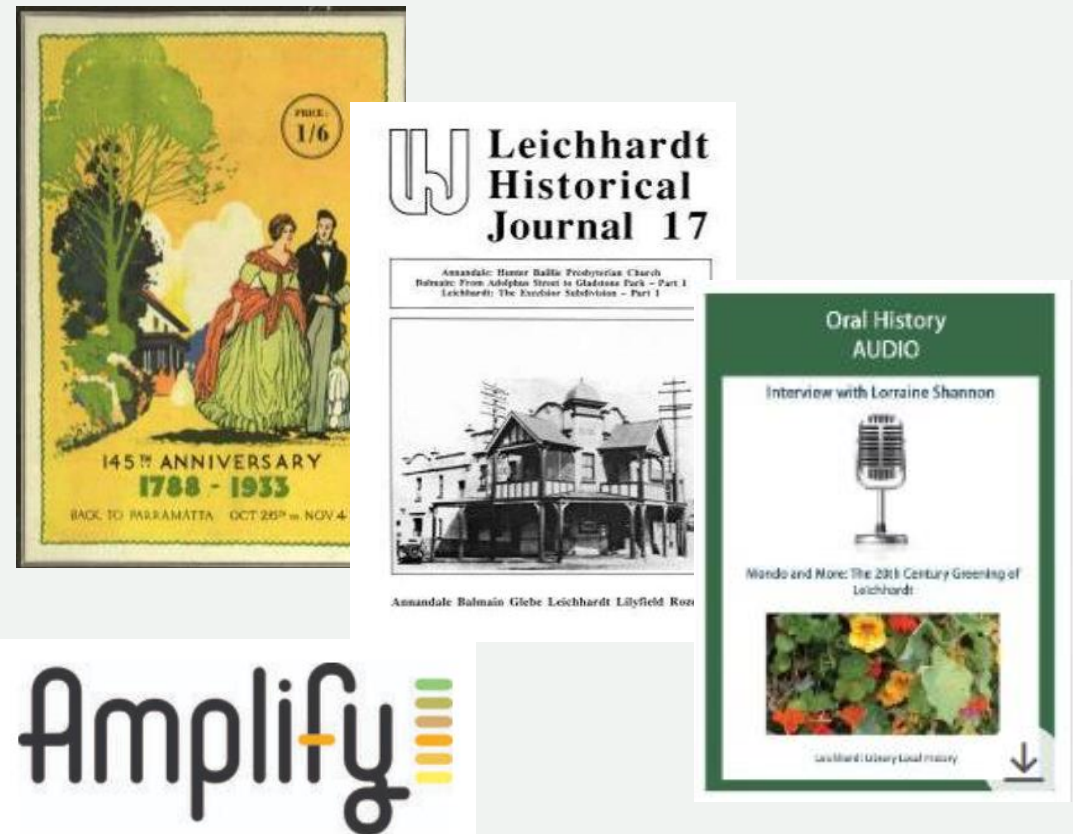

- EPUB
- PDF
- MP3 (Audio)
- MP4 (Video)

## Out of scope

- Photographs
- Newspapers
- council records
- Unpublished material
- ephemera

## Considerations:

indyreads is a hosting platform, for preservation consider NED or a commercial or opens source solution

# Rights Management
